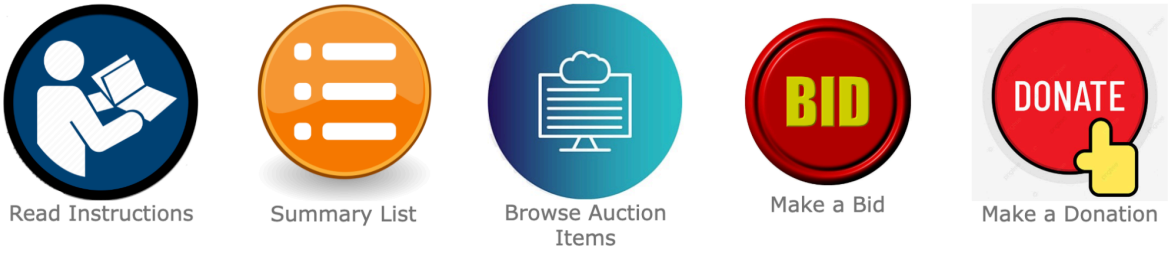
Church Auction, 2025

The auction raises money for the Churches of Whixley and Green Hammerton. Items are generously donated by local residents and businesses, and include valuable products and services.

The auction this year will be held online through the village website. It is accessed from the following web page:

https://whixley.org/auction

On this page are displayed a number of buttons giving access to the auction items and bidding screen as follows:



- These Instructions
- A summary List of items in the auction
- A scrolling display of all auction items with full details available
- A bidding form
- A donation form for those who wish to make a donation to the Church but do not wish to bid for an item. Donations may also be subject to the Gift Aid scheme, and a copy of the Gift Aid form is available on this page for download and printing.

The web pages may be viewed on a smartphone, in which case all pages and buttons appear sequentially, but the pages are best viewed on a laptop or tablet.

Items on the list or display pages are ordered by category, as follows:

- Eat Drink and Be Merry
- Homes and Gardens
- Kids and Pets Corner
- Money Can't Buy
- Sports, Hobbies, Well-being

Each item has an item reference number, a title, a description and, in some cases some, photos. Each item also has a value (optional), a reserve price (also optional) and the value of the latest maximum bid received.

On the display page, a summary of the information is displayed in a panel, and the full information and pictures may be viewed by clicking on the selected panel. When you have seen enough about the item, click the “x” in the top right corner to close the panel and continue scrolling through other items.

When you see an item you like, note the reference number and use the bidding button which will open a form enabling you to make your bid. Complete the bidding form with your item reference number (just one item per form please), your name, and the amount you wish to bid. Please also enter your email address and (optionally) your phone number so that we can confirm your bid and contact you if you are successful.

When you submit your bid you will receive a confirming email. You should then refresh your browser window so you can continue viewing other items and making further bids.

You can return to the auction page at any time, scroll down to look at the items for which you have made a bid, and see if your bid is still the highest bid. If not, and you wish to bid again, simply do so using the bidding form as described above.

On the closing date of the auction all successful bidders will be contacted by email or phone and asked to make the payment. You can do this by a bank transfer to the details listed below….
